

2018 Newberry Event Sponsorship or Donation Request

Hello. We are reaching out to you in the hope that you would consider a sponsorship of South Deschutes County's **6th Annual Newberry Event Music and Arts Fundraiser to Defeat MS**. An official IRS 501c3 charitable association. Please contact Doug or Gloria Watt or an Ambassador for more information.

The Newberry Event is a weekend 3-Day outdoor festival bringing a VARIETY of live music, fine art and crafts in Southern Deschutes County, Central Oregon. To be held July 27, 28 & 29, 2018 at DiamondStone Guest Lodges, between Sunriver and La Pine, now with five years of positive history. Hundreds throughout the Pacific Northwest and beyond have attended. It is County and NMSS approved, and family friendly for approximately 500 people/day with many attendants camping on site.

The Mission of The Newberry Event is twofold:

- 1) To raise funds for the beneficiary, the Oregon Chapter National Multiple Sclerosis Society. Funds are distributed back to benefit local Oregon Communities and their MS-based needs, as well as to provide critical research funds to defeat Multiple Sclerosis. Events thus far have donated almost \$9,000. The 2018 goal is to raise \$10,000 in net proceeds.
- 2) South Deschutes County Economic Development, attracting primary dollars from outside of the area, introducing attendees to this Central Oregon recreation paradise. This charitable fundraiser's intimate atmosphere showcases diverse musical acts and promotes the arts in South Central Oregon.

Multiple Sclerosis is an incurable, progressively debilitating disease. Almost everyone knows someone with this disease, with high concentrations in all globally mid-latitude areas, over 9,000 people in Oregon and SW Washington, and more than 2.3 million worldwide. An MS cure is a goal; but we first must unravel the clues. The National MS Society mobilizes resources to find the cause and develop a cure, and addresses challenges of everyone affected by MS. NMSS's mission is "a world free of MS."

Sunriver and La Pine communities are, together, "Newberry Country," the gateway to Newberry National Volcanic Monument, experiencing significant growth over the next decade with small town charm, and big hearts for charitable causes. Though humbled by past support received, the Newberry Event needs further financial support to meet 2018 Goals. It costs over \$30K to operate, with a goal to raise another \$10K and leave operating funds to perpetuate years to come. Sponsors benefit from prolific advertising statewide and beyond; their name and logo on thousands of posters and leaflets, advertising, and the goodwill of supporting a worthy cause. At the event, sponsors can display banners, receive complimentary tickets, & stage announcements.

Sponsors value the Newberry Event as participating in one of the most exciting things that happens in this otherwise peaceful, rural community. Good press reported "something really special, a broad variety of musicians and styles playing back to back sets of folk, blues, rock, reggae, jazz and dance on two stages."

THANK YOU FOR CONSIDERING THIS SPONSORSHIP REQUEST.
