

NEWBERRY FAMILY

Who We Are

The 8th annual Newberry Event is a boutique family friendly multi-genre music festival. This 3-day event has become known as a "Good Time for a Great Cause" and was awarded Oregon's "Hidden Gem Festival Award" for "small but worthy events with attendance under 1000 people, worth bragging about" from the Oregon Festival and Events Association. An official "Defeat MS" fundraiser, it is hosted on beautiful rural acreage at Diamondstone Guest Lodges.

The Mission

To raise funds for the Oregon Chapter National Multiple Sclerosis Society. Funds are distributed back to benefit local Oregon Communities and their MS-based needs, as well as to provide critical research funds to defeat Multiple Sclerosis. Events thus far have donated over \$10,000. The 2020 goal is to raise \$10,000 in net proceeds.

What is MS?

Multiple Sclerosis is an incurable, progressively debilitating neurological autoimmune disease. Almost everyone knows someone with MS, with high concentrations in all globally mid-latitude areas, over 9000 people in Oregon and SW Washington, and more than 2.3 million worldwide. Curing MS is a goal, but we must first unravel the mysterious clues.

The National MS Society mobilizes resources to find the cause and develop a cure, and addresses challenges of everyone affected by MS. The Newberry Event and NMSS's mission is "a world free of MS".

Your sponsorship will help assure success for the Newberry Event, but we know not everyone can become a sponsor. You can still help out as a Newberry Supporter with a small donation or an item for the silent auction, which is an important part of the fundraising. You can also purchase a ticket and come be part of the Newberry Family. Business donations receive a W-9 and individual donors receive a tax deductible receipt.
